Season's Greetings from South Texas Blood & Tissue Center

In this season when we remember friends and neighbors, the staff at STBTC is especially grateful to you. Your support during this past year enabled STBTC to fulfill its mission of providing the highest quality services to south Texas.

The medical community faces many new challenges each year, and the first year of the new millennium was no exception. With your continued assistance in 2001, together, we will again ensure that healthcare for south Texas patients reaches new levels of excellence.

May this holiday season bring you the rewards of friendship and caring.

December 2, 2001

Dear Debbie,

Just a quite note to say thanks for all of the support that we received over the last few days with the remotes. They were nothing short of awesome! We finished out the month good and started December with a roar!

All of your help in getting me out to do spots was great. As busy as we were on Saturday, it was nice of you to come in and remind me. I would have never made it out if you hadn't.

At least 85% of the customers that came in or called on the phone Friday afternoon and all day Saturday said that they heard us on the radio. This was the best response that we have had with your stations. I think that doing the double remotes back to back made a big difference. I appreciate your involvement and continued support.

We look forward to other events with you in the future.

Sincerely,

Dear KIXS

I just wanted to thank you for your very generous support to the Texas Zoo during our "Snownight" event. The event was extremely successful and it seemed that the community was very much in favor of doing some "fun stuff".

We hope that Wildlights and Snownight will become synonymous with the Winter Holidays. If there is anything you need from us please do not hesitate to ask. We will do everything we can to help you as you have gone above and beyond helping us.

Hope this New Year brings Good Health and Prosperity to you and your staff.

Thanks Again.

Dear Walter:

The National Professional Bull Riders just finished its event in Victoria, TX. and everyone at the NPBR would like to take the opportunity to say thank you for being a major part of this successful event.

Without supporting partners such as KIXS 108, the National Professional Bull Riders would not have been the same. We wanted to let you know how much we appreciate you, for without important sponsors like you this event could not have taken place.

The NPBR works very hard to bring the type of professional event that your town deserves & needs and still maintain a fun and family oriented atmosphere.

Again, we thank you and look forward to working with KIXS 108 again in the future.

If there is anything I can do for you or if you have any questions please give me a call anytime.

Sincerely,

Victoria, TX 77904

Dear James,

Thank you for a great year of blood drives. KIXS and KLUB have helped us bring in over 989 units of blood. The 2000 Blood Bout Blood Drive brought in 83 units of blood. The 2000 Monster Mash Blood Drive drew 106 blood donations. The 2001 Tony Borowictz Memorial Blood Drive brought in a whopping 800 units of blood. These numbers do not include the help your stations have given us in times of need. The constant education and reminders to the public of area blood drives and the blood needs has greatly contributed the area blood supply.

Thank you again for your continued support to the community's blood supply.

Sincerely,

Victoria, TX 77904

Dear James:

The holiday season may seem like a long way off. Most of us have put the tinsel away and put away the candleholders. Wrapping paper and scotch tape are in the recesses of our closet. And, of course, our bills for our holiday charges are beginning to appear.

We still have happy memories and warm feelings from the holiday season. We have, once again, had a successful Trim-A-Tree promotion. Thanks to you, our Lack's associates, and the participating charitable groups, we have contributed over a 100,000 pounds of food to Community Food Banks and similar organizations throughout Texas and Oklahoma – that's 50 tons of food!

We were so pleased by the beautiful Christmas trees decorated by the various charities in each of our store locations in Texas and Oklahoma. We were even prouder of the efforts made by the members of these organizations to collect votes (or cans of food) for their trees. The group with the most number of "votes" received a financial contribution to their charity. The food went to the food banks and community kitchens.

As always, successful events and operations are the result of partnerships. You were our media partner, and you helped make it a success. Thanks for working with us on our 12th Annual Trim-A-Tree promotion, and we look forward to working with you again. All the associates at Lack's wish you and your associates a very happy and healthy 2001.

Sincerely,

Melvin Lack

January 2, 2002

James Love
KIXS-FM, KLUB
PO Box 3325
Victoria, TX 77903

Dear Mr. Love:

The year 2001 certainly had its unforgettable events. All of us were stunned by the tragedy of September 11, and then further astonished by the outpouring of charity and concern from the citizens of this great country. It was simply amazing!

Equally amazing to us is the wonderful response we get each year from our Trim-A-Tree promotion, now completing its 13th year. Thanks to you, the Lacks associates, and the participating charitable groups, we have collected over 80,000 pounds of food (that's 40 tons!) and distributed this to community food banks and similar organizations throughout Texas and Oklahoma.

Two quick Trim-A-Tree stories. One, there was a woman I met in San Antonio who came into the store each day with a can of food to cast her vote for her favorite tree. She said she always selected the tree that had the least amount of food under it that day. Second, my wife, Janey, was returning a rental car this week. One of the people at the store came over to her and said he volunteered at Christ's Kitchen, a "free" meals operation here in Victoria. He said he was working the day that the Lack's people brought over the food from Trim-A-Tree and he said, "You can't believe how much that will mean to us. The amount you brought was unbelievable. We can't thank you enough."

Stories like that make us realize that our efforts are important, individually and collectively. We are so grateful to you and your organization for working with us and for helping to make it a successful event. Thank you and we look forward to working with you again. All the associates at Lack's wish you and your families a very happy and healthy 2002.

Sincerely,

Dear Adam :

The volunteer Board of Directors for Crime Stoppers would like to take a moment to "thank you," as a representative of our local Media.

Victoria Crime Stoppers, Inc. began in 1984 with the "Tip Line" installed at the Police Department. The "Tip Line" allows citizens to anonymously offer vital information for unsolved crimes. Once the crime is solved, the callers may be given a cash reward for their information. Since inception Crime Stoppers tips have solved 781 cases, arrested 511 suspects, and helped in the recovery of over 1.2 million dollars in stolen property and illegal narcotics. Over \$61,000 in cash rewards have been paid to the callers.

Victoria Crime Stoppers, Inc. is a tax exempt, non-profit organization. As such, we depend entirely upon individuals like yourself for your support in making this organization as successful as it is. All of us with Crime Stoppers want you to know how much we sincerely appreciate the time you personally have donated in furthering the promotion of this Community Program through the media. It is our pleasure to offer you the enclosed gift certificate to the Victoria Mall as a small token of our appreciation.

Again, thank you for giving of your time to Victoria Crime Stoppers, Inc. We look forward to working with you in the future.

Sincerely,

Larry Clark
Chairman

TO: James Love, News Director and Promotions Director
KIXS 108

FROM: Brittany Hollas, School-to-Career Program Coordinator
Golden Crescent Tech Prep/School-to-Career Partnership 

DATE: December 15, 2000

SUBJECT: Certificate of Appreciation

Thank You:

On behalf of the Golden Crescent Tech Prep/School-to-Career Partnership, affiliated with The Victoria College, I would like to thank you for your involvement and service in the first Careers On Wheels (C.O.W.) Day. Our Partnership appreciates your willingness to educate our area youth about viable and rewarding local careers.

Because of your involvement, you helped to create an avenue in which students could speak to a positive career role model. Students were not only able to see your vehicle and/or equipment, but to see how subjects such as reading, writing, and math are applied in the world of work. This opportunity strengthens what students are learning in the classroom and helps them make the connection between school and career. Because of this involvement, you may find one of these students as a future employee, co-worker, or boss!

As a token of our Partnership's appreciation, you will find the enclosed certificate for your business. We are truly thankful for your participation and for making the first Careers On Wheels Day a huge success. Thank you, again, for choosing to invest your time in this capacity. We hope to see you again next year!

Thanks for Caring!

Dear Friends:

With the holiday season approaching, there is no better time for us to tell you what a special friend you are to the Muscular Dystrophy Association. As we reflect on the progress MDA has made in the past year, your time and talent has made a difference to those served by MDA. You are a source of hope to the families we serve, reaffirming that kindness and caring still prevail in the human spirit.

We have great optimism that all of our efforts will bring an end to neuromuscular disease. In the past year, we have witnessed many advances in the area of stem cell research. Exciting stem cell research for Duchenne muscular dystrophy is being done right here in Houston! Advances such as these would not be possible without your help. We hope you feel proud that you are a part of these amazing discoveries.

In addition, your support touches the hearts of families in the Houston area by providing clinic visits, support groups, assistance with the purchase of necessary equipment and a weeklong summer camp for kids. We hope that the smiles in the enclosed MDA Summer Camp newsletter will help express the gratitude that mere words cannot convey.

May the upcoming year bring only peace, happiness and the best of times for all of you and yours.

Warm Regards,

Erica Duro *Diana Kuhn*

Chris Perry

Elaine Halmer

November 21, 2000

As we approach the first Thanksgiving of the new millennium, it is not only important to give thanks for our many blessings but also to say thanks to those special people who make a real difference in our world. With this in mind, we wish to express to each of you our heartfelt thanks for all you have done over the past year to deliver our life-saving mission message. Because of your hard work and dedicated service, the lives of countless area residents facing cancer have been made better.

Just last month in Chicago, our National Assembly and its Board of Directors met for the annual meeting. At that time, the great progress that we are making in our fight against cancer was reported. Indeed, cancer incidence and mortality rates are continuing to go down, and they are going down at an accelerating rate. Because of these life-saving and life-enhancing results, we continue to receive the greatest support from the American public of any voluntary health organization in history. In fact, our American Cancer Society was the first voluntary health organization to reach the 500 million-dollar level in 1998, and this year, we raised over \$700 million for the fight against cancer! This is extraordinary performance.

Our local American Cancer Society staff, in collaboration with our volunteer partners, of which you are one, have performed excellently and that performance has resulted in dramatic outcomes that benefit people everywhere.

At the cancer survivor's family Thanksgiving table this year, they will give thanks for the outstanding individuals who make up our local team. You do us proud.

May you have a safe and joyous holiday season.

OFFICE OF THE DIRECTOR

November 2000

Dear Census 2000 Partner:

I would like to thank you and your organization for your outstanding efforts in making Census 2000 a success!

In many ways, Census 2000 was unlike any previous census. There were new uses of technology, new and greatly expanded operations, more customized local and regional programs, and more encompassing outreach through an unprecedented Partnership Program. For Census 2000, the U.S. Census Bureau had the distinct pleasure and challenge of working with more than 140,000 partners—partners whose creative efforts were surpassed only by their commitment and dedication to their local community and constituents. Thanks to the hard work of all of our Census 2000 partners, we reversed the trend of declining participation witnessed in recent censuses, and increased the mail response rate over what we achieved in 1990.

The scope of this census was vast. At times the task seemed insurmountable and the challenge overwhelming, but with the help and dedication of governments, businesses, community, religious, and educational organizations, we are proud to have been a part of the "Good Census."

Again, I extend a heartfelt thanks to you and your organization for a job well done! Your role in Census 2000 had a significant impact on our successful data collection, which will in turn help your community and this country move confidently into the 21st Century.

Please accept the enclosed Certificate of Appreciation for your service and cooperation as a token of the Census Bureau's recognition that we could not have done this without you.

Thank you America!

Sincerely,

Kenneth Prewitt
Director
